## ***Strike the harp and join the chorus ...***

As caring musicians come together this holiday season to support Seattle Children's Hospital. On Saturday, December 12, an amazing twelve hour HOLIDAY HARP-A-THON will fill the hospital with the sound of music as harp players amateur to pro come together to provide a non-stop stream of lively and lovely harp music to raise funds for uncompensated care at Seattle Children's Hospital.

## **YOU can support Seattle Children's Hospital through the HOLIDAY HARP-A-THON in several ways!**

Make a pledge-per-hour donation (can they really pluck those strings from 8 am to 8 pm??)

Or make a song dedication to that special someone!

Or donate a fixed amount of your choice (all donations go directly to Seattle Children's Hospital)

*Pledges and donations must be turned in by Thursday, December 10.  
Fun prizes for: 1) the person with the most individual pledges gathered  
and 2) the highest total pledges. Checks should be made out to  
Seattle Children's Hospital.*
